

Safety rules for truck drivers

In our company we place great value on safety and environmental Protection. In the interests of your own protection you are invited, to keep the following rules:

	<p>Barring order! The stay in the factory is only there and only then allowed, where it is required to do your job. The entering of the production and permanent establishments is generally not allowed.</p>
	<p>No naked flames! On the whole factory premises (also inside truck) is no smoking. Smoking is only allowed in smoking areas. Photography and the use of alcohol and drugs is prohibited!</p>
<p>Ride-people</p>	<p>Ride-people (children, spouse, friend, etc.) and animals are not allowed in the factory site and the need to leave the vehicle in front of the entrance.</p>
	<p>Pedestrians use the marked trails! Observe all traffic signs and safety signs. The speed limit for motor vehicles within the plant is 10 km/h. Basically on the factory premises, the Highway Code. Forklifts have right of way!</p>

<p style="text-align: center;">Theft</p>	<p>The theft of any material from the factory premises is brought us to display!</p>
	<p>In work safety shoes and long trousers must be worn. Hearing protection when necessary. The mandatory signs are to be observed.</p>
	<p>The use of electrical equipment (headphones, cell phone, etc.) is prohibited in areas with the risk of explosions.</p>
	<p>The instructions of the operating personnel must be obeyed! Accidents or damage reported immediately to the staff!</p>
<p style="text-align: center;">Others</p>	<p>If the vehicle stands. Turn off the engine.</p>
